Incompletion of the Construction of Primary School Buildings in the Mysore District.

Q.—1038. Sri K. PUTTASWAMY (Mysore).—

Will the Government be pleased to state :—

the number and names of villages in Mysore District wherein Primary School buildings have not been constructed, in spite of the villagers having credited their contribution amounts to the Elementary Education Funds together with the amount and the year when it was credited?

A.—Sri ANNA RAO GANAMUKHI (Minister for Education).—

Vide list given below.

Serial No.	Name of the Depositor	Name of the School for which the deposit is made	Name of the taluk treasury to which deposit is made	Amount deposited and date of deposit	Action taken to construct building
1	2	3	4	5	6
1	Villagers of Chikatti, Begur Hobli, Gundlupet Taluk.	Middle School building at Chikkatti, Gundlupet Taluk.	Gundlupet Taluk Treasury.	Rs. 2,500 on 9-12-1947	It is proposed to entrust the construction of the building to National Extension Service. Action is being taken to transfer the amount to the Project Executive Officer.
2	Villagers of Kempisiddanahundi, Nanjangud Taluk.	Primary Boys' School, Kempisiddanahundi.	Nanjangud Taluk Treasury.	1,003 on 1-1-1950	Work order issued by the Tahsildar on 25-1-57 to one Sri Chikkamale Gowda.
3	Sri S. Basappa	New Type Middle School at Gattavadi, Nanjangud Taluk.	Nanjangud Taluk Treasury.	1,000 on 1-3-1948	Work is in progress.

Sri K. PUTTASWAMY.—May I know what was the reason for such a long delay in the matter of construction of these three school buildings that are noted in the list ?

Smt. GRACE TUCKER (Deputy Minister for Education).—There are quite a few reasons. One is that the Elementary Education Fund which was functioning then is not functioning well. Secondly, for a primary school Rs. 15,000 was the general estimate then and Rs. 25,000 for a middle school. The funds that were donated were not sufficient and then certainly there was lethargy both among the villagers who contributed and perhaps the officials also who could have taken up the work.

Sri K. PUTTASWAMY.—May I know how the alleged lethargy of the villagers came in the way of Government taking up these constructions ?

Smt. GRACE TUCKER.—If funds had been forthcoming in the correct measure they would have been certainly constructed much earlier.

Sri K. PUTTASWAMY.—May I know how was the need of these schools met for the last ten years ?

Smt. GRACE TUCKER.—We have housed schools not in Government buildings but in rented quarters and chavadies.

Sri K. PUTTASWAMY.—May I know whether it is not a fact that the children belonging to Scheduled Castes are not allowed to get into the chavadies and as such they are not in a position to receive education ?

Smt. GRACE TUCKER.—I do not know about that for we have not received any representation about that.

Sri G. DUGGAPPA.—Are not chavadies public places ?

Smt. GRACE TUCKER.—They may be. But schools are also for public purposes.

ಶ್ರೀ ಜಿ. ದುಗ್ಗಪ್ಪ.—ಅಂತಹ ಸ್ಥಳಗಳಲ್ಲಿ ಸ್ಕೂಲುಗಳನ್ನೂ ನಡೆಸುತ್ತಿರುವಾಗ ಅಲ್ಲಿಗೆ ಪ್ರವೇಶಿಸಲು ಹರಿಜನ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಅವಕಾಶವಿಲ್ಲ ಎಂಬುದನ್ನು ಸರ್ಕಾರದವರ ಗಮನಕ್ಕೆ ತಂದಿರುವಾಗ ಈಗಾದರೂ ಏನು ಕಾರ್ಯಕ್ರಮವನ್ನು ತೆಗೆದುಕೊಳ್ಳುತ್ತೀರಿ ?

Smt. GRACE TUCKER.—With regard to these buildings, we are trying to get them constructed either by N.E.S. or through P.W.D.

Sri G. DUGGAPPA.—May I know the policy laid down by Government with regard to the construction of school buildings specially in rural parts ?

Smt. GRACE TUCKER.—The present policy is that a certain amount is made available to the Deputy Commissioner of a District for the construction of a school building and to call for contributions invited from the rural people. With regard to the buildings which have already been referred to, the cost is about Rs. 3,000 for a terraced roof building and 2,800 for a tiled roof building ; and generally, 50 per cent is expected in the form of contribution from the village or rural area.

Sri G. VENKATAI GOWDA.—When it is proposed to hand over the construction to the N.E.S., will there not be a change in the percentage of contribution ?

Smt. GRACE TUCKER.—There will be no change in respect of contribution. But the schools would go under the N.E.S. scheme.

Sri F. H. MOHSIN.—Is there uniformity as regards the contribution from the villagers and Government contribution for the construction of school buildings ?

Smt. GRACE TUCKER.—At present there is no deviation from that rule. But it is under consideration because of representations from various parts of the State due to certain differences in soil or certain other reasons.

Sri B. S. SHANKARAPPA.—Is it not a fact that the construction of primary school buildings in cities and towns is taken up by the Government ?

Smt. GRACE TUCKER.—That is not necessarily so.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣಸಿದ್ದಪ್ಪ.—ಹಿಂದೆಲ್ಲಾ ಕಟ್ಟುತ್ತಿದ್ದಿರಲ್ಲವೇ ?

Smt. GRACE TUCKER.—Several years ago the schools used to be constructed out of Government funds.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣಸಿದ್ದಪ್ಪ.—ಸಾಮಾನ್ಯವಾಗಿ ಹಳ್ಳಿಗಳಲ್ಲಿ ಕಂಟ್ರಿಬ್ಯೂಷನ್ ಕೊಡುವುದಕ್ಕಾಗದಿರುವ ಕಡೆ ಏನು ಮಾಡುತ್ತೀರಿ ?

Sri H. M. CHANNABASAPPA.—I beg to submit that the policy in regard to the construction of primary school buildings is not uniform all over the States. In Madras there is some

(SRI H. M. CHANNABASAPPA)

procedure. In Bombay there is some procedure and in Mysore there is some procedure. The N.E.S. also undertakes the construction of primary school buildings in their areas. In regard to the construction of school buildings without any contribution, where people are not able to pay, Government have undertaken construction. Where people are able to pay, we try as far as possible to harness the public contribution. There is absolutely no general rule that contribution alone should be made before the construction of school buildings. It is not correct to say that construction of primary school buildings is entirely out of Government funds in cities and towns.

Sri B. S. SHANKARAPPA.—Can the Hon'ble Minister quote an instance where contribution has been collected and primary school buildings are put up in towns and cities ?

(*No answer*)

Sri F. H. MOHSIN.—When can we expect a uniform policy as regards contribution for construction of primary school buildings ?

Smt. GRACE TUCKER.—The Integration Advisory Committee is at it. In a short while we will be able to give you that policy.

Sri K. PUTTASWAMY.—The Minister was pleased to say that funds were made available to the Deputy Commissioner of each district to enable him to take up the construction of primary school buildings together with the contribution made by the villagers. May I ask what is the amount that is made available to Mysore District for this year ?

Smt. GRACE TUCKER.—I want notice.
